

THE ETF MARKET DOESN'T REWARD NOISE - IT REWARDS DISTRIBUTION

Blackwater Creative combines ETF market insight with world-class creative, PR, and social performance to build issuer brands that investors and partners people trust, and products they choose.

WHAT WE DO

We help ETF issuers grow assets by turning strategies into clear narratives and distribution-ready campaigns, built to win attention, earn trust, and convert through advisor and platform channels

BLACKWATER CREATIVE KEY SERVICES FOR ETF ISSUERS

MARKET ADVISORY & INSIGHTS

- Identify where an ETF can realistically win
- Prioritize channels and investor touchpoints
- Provide go-to-market guidance

POSITIONING & MESSAGING

- Define the ETF's core story and "why"
- Develop messaging pillars and proof points
- Establish brand voice and guidelines
- Create scalable frameworks for content and campaigns
- Produce essential marketing assets: decks, one-pagers, digital content

PR & MEDIA ENGAGEMENT

- Develop media narratives and story angles
- Position ETF executives for commentary and thought leadership
- Secure earned placements across digital, print, broadcast, podcasts and trade publications
- Support launches with press coverage and market visibility

SOCIAL & EDUCATIONAL CONTENT

- Translate ETF strategies into clear, digestible formats
- Develop educational posts, guides, and videos
- Build short-form social content for TikTok, Reels, Shorts
- Create campaign concepts and content calendars for consistent engagement

ETF LAUNCH KITS

- Provide complete launch readiness materials
- Include investor-facing collateral, sales tools, and digital content
- Supply distribution-ready templates
- Ensure alignment across channels for confident, professional launches

ETF GROWTH AUDIT

- Short diagnostic to identify highest-impact opportunities
- Pinpoint investor segments most likely to allocate
- Recommend messaging angles and priority channels
- Establish actionable next steps for asset growth
